

Connecting to our Community

Please join the Port of Anacortes in celebrating the signing ceremony and groundbreaking for the former Scott Paper Mill Site environmental clean-up project.

Friday, June 12, 2009
11:30 a.m.
Seafarers' Memorial Park
601 14th Street (turn on Seafarers' Way)
Anacortes, WA

Following the ceremony, we'll host a community barbeque. Members of the project team will be on hand to man the grill and answer questions.

The clean-up effort is a partnership between the Port, the Department of Ecology, and the Kimberly Clark Corporation, former owners of the Scott site, and is the third of five environmental clean-up projects under the Port's Focus Fidalgo framework, which coordinates clean-up, habitat restoration, and redevelopment efforts.
