Port of Anacortes hires new Accounting Manager.

The Port of Anacortes is pleased to welcome Carly Behan to the Port's Finance & Administration team. A local resident and Certified Public Accountant, Carly brings extensive financial and government auditing experience to the Accounting Manager position. A former Manager with Ernst & Young, Carly received a Bachelor of Science in Business Administration, emphasis Accounting, graduating Magna Cum Laude from San Diego State University. Carly will begin her duties in September, replacing Sheila Iturriaga who has accepted a senior accounting position with the City of Redmond.

Carly joins an excellent, dedicated department, under Director Chris S. Johnson. You may recall that the Port received a letter of commendation from the State Auditor's office last year for achieving ten consecutive years without any audit findings.

We look forward to Carly's contributions. Welcome aboard!
