

Verbatim transposition of SEPA comment voicemail sent to Bob Hyde 10:12 A.M.
Wednesday, January 6, 2010

Hello, this is Kate Clark. I live here on 32nd Street in Anacortes and I want it on record that I protest against the sulfur trucks that are coming through town to the Port to load/unload and I just don't like that idea and I want to protest against that, that happening.

My phone number is 293-6154, but this is the 30th of December at 3:15 so I just want to voice my, against these trucks coming through town with this sulfa, sulfur, you know.
