## **EXPECTATIONS**

Please be advised the Transit Shed is located in a working waterfront area. Your event may be impacted by marine industrial activities nearby including noise, fumes, dust, and exhaust from boats and ships, etc. The Transit Shed itself is a multi-purpose facility with much history, charm, character, and quaintness. However, these attributes come with drawbacks, such as an occasional bird in the rafters, noise from crashing waves underneath, spaces in the floor planks, and only an industrial level of heat and lighting.

By signing below, I acknowledge that I have read and understand the rental information and policies included in this packet. I will abide by all Port rules and regulations while renting this facility.
