

## **Cap Sante Marina – Marina Advisory Committee Meeting Notes of May 14, 2019**

**No attendance was noted, however a quorum was achieved**

### **North Basin Restrooms**

- 44 written responses
- 4 negative responses – opposed to change
- 4 yellow response – not opposed by say its inconvenient or want second public access bathroom
- 36 positive responses
- Resolving user group access for OARS, City programs
- Requesting additional feedback from MAC

### **Event Center and NW Redevelopment Advisory Groups**

- Each advisory group met April 25<sup>th</sup> – positive inputs and feedback on 10% design
- Open house – attendance was large for informal station format – parking was the major them
  - Parking is at draft stage and plan will be done by Parking Engineers
  - Found 3 years of data from 2009-2012, repeating same data capture for this summer to establish data point on parking utilization
- Primary concern from open house was parking
- Secondary action is to ensure we do better communicating the entire project
  - Posted on website
  - Social media
  - Staff training

### **Other**

- Public comments on gates – requested feedback from MAC on gating policy
- Marine Trades control – best practices – request feedback from MAC on policy
