

**INVITATION TO BID
CURTIS WHARF CORROSION REPAIRS AND
CATHODIC PROTECTION SYSTEM – PHASE C
PROJECT #MRT-27C**

The Port of Anacortes (the “Port”) hereby requests bid proposals for the **Curtis Wharf Corrosion Repairs and Cathodic Protection System – Phase C, Project #MRT-27C** (the “Project”). The Port will only consider sealed bid proposals that: i) are plainly marked Curtis Wharf Corrosion Repairs and Cathodic Protection System – Phase C, Project #MRT-27C, ii) include the name and address of the Bidder, and iii) are timely received by **10:00 am, PDT on October 25, 2021** at:

Port of Anacortes
100 Commercial Avenue
Anacortes, Washington 98221

Bids will be opened and recorded at that time. The Project generally involves furnishing all labor, materials, and equipment necessary for the completion of the Curtis Wharf Corrosion Repairs and Cathodic Protection System – Phase C in Anacortes, Washington as detailed in the project drawings and specifications. The Project generally consists of, but is not limited to: implementation of temporary site controls, traffic/pedestrian controls, marine environmental/water quality controls, and temporary erosion and sediment controls; and demolition, disposal, and repair of damaged timber piling sections and other appurtenances as more fully defined in the Contract Documents.

Plans, Specifications, Addenda, Contract Documents, and Bidders List for this project are available through the Port of Anacortes’ online plan room by going to <http://bxwa.com> and clicking on “**Posted Projects**”, “**Public Works**”, “**Port of Anacortes**”, and “**Projects Bidding**”. Contact Builders Exchange of Washington at 425-258-1303 for assistance.

The Project will be awarded to the lowest responsive and responsible bidder. The Port of Anacortes reserves the right, in its sole discretion and without liability therefore, to reject any and all bids, to waive any irregularities or informalities in the bid or in the bidding process, or to re-bid the Project. All questions regarding the Project must be submitted by email to the Port’s Project Manager – Jenkins Dossen, jenkins.dossen@portofanacortes.com with the subject line referencing “Bid Inquiry – Curtis Wharf Corrosion Repairs and Cathodic Protection System – Phase C Project”.

Due to COVID-19, the optional pre-bid conference will be held by reservation only on October 14, 2021 at 9:00 am, 11:00 am, and 1:00 pm at:

Port of Anacortes
Curtis Wharf Marine Terminal
2nd Street & O Avenue
Anacortes, WA 98221

Please reserve attendance at the pre-bid conference via email to the Port’s Project Manager noted above, by no later than 4:00 pm on October 12, 2021. Spots will be filled on a first-come, first-served basis. In an effort to maintain a fair bidding environment, no questions will be answered at the pre-bid conference.

All potential bidders are encouraged to attend this conference.

A prior phase of this project was completed, in part, with economic development funds awarded by the Skagit County Board of Commissioners through its Economic Development Public Facility grant program.
